HIGHLY CONFIDENTIAL PURSUANT TO THE PROTECTIVE ORDER

VIDEOTAPED DEPOSITION OF MAXIME LEVANDOWSKI

SAN FRANCISCO, CALIFORNIA

TUESDAY, JULY 18, 2017

BY: ANDREA M. IGNACIO, CSR, RPR, CRR, CCRR, CLR ~

CSR LICENSE NO. 9830

JOB NO. 2661102

1 building? 10:08

2 A I did not. 10:08

3 Q So, you got to live in a building owned by 10:08

4 Nautilus for free? 10:08

5 A Correct. 10:08

6 Q Okay. Did you ever ask anyone why you got to 10:08

7 live there for free? 10:08

8 A I guess that, since the -- so the building 10:08

9 was not, like, a nice building. There was no hot 10:08

10 water, and it was not, like, a nice building. But I 10:08

11 was living rent-free, so I was okay. And I guess 10:08

12 that, because my brother was an investor in that 10:08

13 company, that was okay. 10:08

14 Q What other companies are you aware of that 10:08

15 Anthony is an investor in? 10:08

16 A That's all of my knowledge. 10:08

17 Q You're not aware of him being an investor in 10:08

18 any other companies? 10:08

19 A Correct. 10:08

20 Q Have you ever heard of a company called Odin 10:08

21 Wave? 10:09

22 A No. 10:09

23 Q Have you ever heard of a company called Tyto 10:09

24 LiDAR? 10:09

25 A I did. 10:09

1 Q Okay. Are you -- do you have any knowledge 10:09  
2 whether Anthony Levandowski is an investor in that 10:09  
3 company? 10:09

4 A I do not know. 10:09

5 Q Okay. Let me ask it a little bit 10:09  
6 differently. 10:09

7 What is your -- what do you know about 10:09  
8 Anthony's involvement in any company called Odin Wave 10:09  
9 or Tyto LiDAR? 10:09

10 A I don't know. 10:09

11 Q Is he involved in those companies? 10:09

12 A I don't know. 10:09

13 Q So, you mentioned January 28, 2016, is when 10:10  
14 you started at Otto. 10:10

15 How did you come to get that job? 10:10

16 A A period in that -- two, three weeks before 10:10  
17 that, Anthony came to me. He said that he was leaving 10:10  
18 Google and that he was starting a self-driving truck 10:10  
19 company. 10:10

20 Q Okay. Then what? 10:10

21 A That's all I heard. 10:10

22 Q How -- how do we go from that to you getting 10:10  
23 a job there three weeks later? 10:10

24 A Well, he asked me -- he said that my 10:10  
25 knowledge in CAD could be a good point for the 10:10

1 together before?" We joked about, "Hey, now I can 10:38  
2 speak English." 10:38

3 We did not have a lot -- a whole lot to talk 10:38  
4 just because at the time, we didn't communicate 10:38  
5 because of the English problem. 10:38

6 So, it was more, like, "Oh, I meet you, but I 10:38  
7 kind of know you." That was that kind of feeling. 10:38

8 Q Did Anthony ever visit you when you were 10:38  
9 doing the work for the laser company with James 10:38  
10 Haslim? 10:38

11 A He did not. 10:38

12 Q Was he ever around the building? 10:38

13 A Not that I'm aware of. 10:38

14 Q Okay. Okay. 10:38

15 Going back to the timeline, you moved here in 10:38  
16 2014. You actually did a little bit of work for Tyto 10:39  
17 LiDAR, although you didn't know the name of the 10:39  
18 company at the time. And then, after that, you 10:39  
19 started working for Nautilus; is that right? 10:39

20 A That is correct. 10:39

21 Q How long did you work for Nautilus for? 10:39

22 A A little bit over a year, a year and one or 10:39  
23 two months. 10:39

24 Q Approx- -- so, you worked for Nautilus from 10:39  
25 approximately 2015 to early 2016; is that fair? 10:39

1 Q You've never been involved in that? 13:51

2 A No. 13:51

3 Q Did you -- when you worked at Nautilus, did 13:51

4 you get any equity in the company? 13:51

5 A Nope. There was no equity system. 13:51

6 Q Have you ever heard of a company called 13:52

7 Dogwood Leasing? 13:52

8 A Yes, I have. 13:52

9 Q What is that company? 13:52

10 A I heard Dogwood Leasing in the media. That 13:52

11 sounded familiar, so I looked online. I saw that it 13:52

12 was linked with my brother. That's it. 13:52

13 Q You said you heard about it in the media. 13:52

14 In what context did you hear about it? 13:52

15 A It was an article talking about multiple 13:52

16 companies, including Tyto and -- and Dogwood Leasing. 13:52

17 I looked up Dogwood Leasing online, and I saw that it 13:52

18 was related to my brother, but that's all I know. 13:52

19 Q Did you ask Anthony what Dogwood Leasing is? 13:52

20 A No. 13:52

21 Q Why not? 13:52

22 A I saw that it was related to him. Didn't 13:52

23 need to ask. 13:52

24 Q You were interested in -- in enough to read 13:52

25 about it online. 13:52

1 Why -- why not ask Anthony what it's about? 13:52

2 A Didn't need to know. 13:52

3 Q What about something called Sandstone Group? 13:52

4 A Never heard of it. 13:53

5 Q How about something called [REDACTED]? 13:53

6 Have you ever heard of that? 13:53

7 A No. 13:53

8 Q How about something called [REDACTED] or 13:53

9 [REDACTED] 13:53

10 A No. 13:53

11 Q Apparate -- Apparate -- I don't know how to 13:53

12 pronounce that -- Apparate International? 13:53

13 A No. 13:53

14 Q A-P-P-A-R-A-T-E. 13:53

15 Is that something you're familiar with? 13:53

16 A No. 13:53

17 Q When was the first time you spoke with Lior 13:53

18 Ron? 13:53

19 A Maybe a month before I started at Otto. 13:53

20 Q And in what context did you speak with 13:53

21 Mr. Ron? 13:54

22 A He was at Anthony's house. 13:54

23 Q What did you guys talk about? 13:54

24 A I was not part of the conversation. I just 13:54

25 saw them. They were talking when I show up, and 13:54
